ANAWIM PROGRAM PARTICIPANT RECEIVES OPENING DOORS AWARD

Every year, Opening Doors celebrates the journeys from homelessness experienced by thousands of people in the Polk County area. Presented at this year's event, including the Adult Recipient Award, was Kenny Davis, an Anawim Housing program participant. Kenny is pictured with his Anawim Program Manager Dan McBee (Pictured).

Kenny's story is a remarkable one of hope as he had struggled with homelessness for the majority of his life. He has since begun to make great strides toward stability after moving into his own home with Anawim Housing Supportive Services working with Dan.

A special thank you to our committee members for their help making this a wonderful event!
